

DETERMINATION AND FINDINGS
FOR
SOLE SOURCE CONTRACT

Agency: Child and Family Services Agency (CFSA)
Caption: Psychiatric Residential Treatment
Contractor: Millcreek Behavioral Health
Proposed Contract No: DCRL-2020-C-0121

FINDINGS

1. AUTHORIZATION:

D.C. Official Code § 2-354.04, 27 DCMR 1304 and 1700, 1701

2. MINIMUM NEED:

The District of Columbia (“District”), Child and Family Services Agency (“CFSA”) has a need to enter into a contract with Millcreek Behavioral Health to provide Psychiatric Residential Treatment Services twenty-four (24) hours per day, seven (7) days a week to an emotionally disturbed ward of the District, hereinafter referred to as client. Residential treatment is part of a continuum of care, which provides services at varying levels of intensity from the most to least restrictive. This continuum of care is dynamic; treatment services provided to the clients under this contract are geared toward improving the level of functioning so those clients progress to a less restrictive setting and increased levels of functioning. These services shall include education, assessment, stabilization and evaluation services to CFSA clients specified in Section C in the contract.

The period of performance shall be for a period of one year from date of award.

3. ESTIMATED FAIR AND REASONABLE PRICE:

NTE \$619,890.00

4. FACTS WHICH JUSTIFY A SOLE SOURCE CONTRACT:

While there are several known providers capable of meeting one or more of the various requirements, none other than Millcreek Behavioral Health has been found to meet the foremost essential requirements of CFSA as discussed below:

- a. Millcreek Behavioral Health provides Psychiatric Residential Treatment Services to children and youth with histories of trauma, neglect, physical and sexual abuse, and trauma-induced experiences
- b. Millcreek Behavioral Health provides treatment programming developed around a core fundamental belief: that treatment success can be maximized through specialized treatment

programming designed around the youth's age, developmental needs, cognitive level, past traumatic experiences and method of learning.

- c. Millcreek Behavioral Health has the capability to provide the individualized higher level of care needed to manage the high risk behaviors and treat the clinical needs of the client.
- d. Due to the time sensitive nature of these services, Millcreek Behavioral Health was selected based on a market survey performed to identify a residential psychiatric treatment facility that has a bed available to begin psychiatric treatment services immediately.

5. **CERTIFICATION BY AGENCY HEAD:**

I hereby certify that the above findings are true, correct and complete to the best of my knowledge.
